(2) As each elector enters the polling station, the presiding officer or the polling officer authorised by him in this behalf shall check the elector's name and other particulars with the relevant entry in the electoral roll and then call out the serial number, name and other particulars of the elector.

(3) In deciding the right of a person to obtain a ballot paper the presiding officer or the polling officer, as the case may be, shall overlook merely clerical or printing errors in an entry in the electoral roll, if he is satisfied that such person is identical with the elector to whom such entry relates.

22. Facilities for public servants on poll duty.—(1) The provisions of rule 21 shall not apply to any person who produces at the polling station a poll duty certificate in Form 4 and asks for the issue of a ballot paper to him although the polling station is different from the one where he is entitled to vote.

(4) If, after the inquiry, the presiding officer considers that the challenge has not been established, he shall allow the person challenged to vote; and if he considers that the challenge has been established, he shall debar the person challenged from voting.

(5) If the presiding officer is of the opinion that the challenge is frivolous or has not been made in good faith, he shall direct that the deposit made under sub-rule (1) be forfeited to Government, and in any other case, he shall return it to the challenger at the conclusion of the inquiry.

24. Safeguards against personation.—(1) Every elector about whose identity the presiding officer or the polling officer, as the case may be, is satisfied, shall allow his left forefinger to be inspected by the presiding officer or polling officer and an indelible ink mark to be put on it.

(2) If any elector refuses to allow his left forefinger to be inspected or marked in accordance with sub-rule (1) or has already such a mark on his left forefinger or does any act with a view to removing the ink mark he shall not be supplied with any ballot paper or allowed to vote.

(3) Any reference in this rule to the left forefinger of an elector shall, in the case where the elector has his left forefinger missing, be construed as a reference to any other finger of his left hand, and shall in the case where all the fingers of his left hand are missing, be construed as a reference to the forefinger or any other finger of his right hand, and shall in the case where all his fingers of both the hands are missing be construed as a reference to such extremity of his left or right arm as he possesses.

25. Issue of ballot papers to electors.—(1) Every ballot paper shall before issue to an elector be stamped with such distinguishing mark as the Chief Election Commissioner may direct.

(2) At the time of issuing a ballot paper to an elector, the polling officer shall record the serial number thereof against the entry relating to the elector in the marked copy of the electoral roll.

(3) Save as provided in sub-rule (2), no person in the polling station shall note down the serial number of the ballot papers issued to particular electors.

26. Voting procedure.—(1) The elector on receiving the ballot paper shall forthwith—

- (f) quit the polling station.

(2) No elector shall be allowed to enter a voting compartment when another elector is inside it.

27. Recording of votes of blind or infirm electors.—(1) If the presiding officer is satisfied that owing to blindness or other physical infirmity an elector is unable to recognise the symbols on the ballot paper or to make a mark thereon without assistance, the presiding officer shall permit the elector to take with him a companion of not less than twenty-one years of age to the voting compartment for recording the vote on the ballot paper on his behalf and in accordance with his wishes, and, if necessary, for folding the ballot paper so as to conceal the vote and inserting it into the ballot box:

Provided that no person shall be permitted to act as the companion of more than one elector at any polling station on the same day:

Provided further that before any person is permitted to act as the companion of an elector on any day under this rule, the person shall be required to declare that he will keep secret the vote recorded by him on behalf of the elector and that he has not already acted as the companion of any other elector at any polling station on that day.

(2) The presiding officer shall keep a record in Form 10 of all cases under this rule.

(2) If an elector after obtaining a ballot paper decides not to use it, he shall return it to the presiding officer, and the ballot paper so returned shall be marked as "Returned: cancelled" by the presiding officer.

(3) All ballot papers cancelled under sub-rule (1) or sub-rule (2) shall be kept in a separate packet.

29. Tendered votes.—(1) If a person representing himself to be a particular elector applies for a ballot paper after another person has already voted as such elector, he shall, on satisfactorily answering such questions relating to his identity as the presiding officer may ask, be entitled, subject to the following provisions of this rule, to mark a ballot paper (hereinafter in these rules referred to as a "tendered ballot paper") in the same manner as any other elector.

(2) Every such person shall, before being supplied with a tendered ballot paper, sign his name against the entry relating to him in a list in Form 11.

(3) A tendered ballot paper shall be the same as the other ballot papers used at the polling except that it shall be—

(b) endorsed on the back with the words "tendered ballot paper" by the presiding officer in his own hand and signed by him.

(4) The elector, after marking a tendered ballot paper in the voting compartment and folding it, shall, instead of putting it into the ballot box, give it to the presiding officer who shall place it in a cover specially kept for the purpose.

30. Close of poll.—(1) The presiding officer shall close a polling station at the hours fixed in that behalf under section 17 and shall not thereafter admit any elector into the polling station:

Provided that all electors present at the polling station before it is closed shall be allowed to cast their votes.

(2) If any question arises whether an elector was present at the polling station before it was closed, it shall be decided by the presiding officer and his decision shall be final.

31. Sealing of ballot boxes after poll.—As soon as practicable after the closing of the poll the presiding officer shall close the slit of the ballot box.

(2) The presiding officer shall permit any polling agent who so desires to take a true copy of the entries made in the ballot paper account and shall attest it as a true copy.

35. Procedure on adjournment of poll.—(1) If the poll at any polling station is adjourned under sub-section (1) of section 18, provisions of rules 31 to 34 shall, as far as practicable, apply as if the poll was closed at the hour fixed in that behalf under section 17.

(2) When an adjourned poll is recommended under sub-section (2) of section 18, the electors who have already voted at the opinion poll shall not be allowed to vote again.

(3) The poll commissioner shall provide the presiding officer of the polling station at which such adjourned poll is held, with the sealed packet containing the marked copy of the electoral roll and a new ballot box.

(4) The presiding officer shall open the sealed packet in the presence of the polling agents present and use the marked copy of the electoral roll for recording the serial numbers of the ballot papers issued to electors at the adjourned poll.

(5) The provisions of rules 14 to 34 shall apply in relation to the conduct of an adjourned poll as they apply in relation to the poll before it was so adjourned.

PARTY V

COUNTING OF VOTES

36. Time and place for counting of votes.—The counting of votes under section 24 shall commence at 9 a.m. on the date next succeeding the date of poll and be done at such place as the poll commissioner may appoint; and the poll commissioner shall, at least two days before the date of poll, give public notice of the date, time and place of counting:

Provided that if, for any reason, the poll commissioner finds it necessary so to do, he may, with the approval of the Chief Election Commissioner, alter the date, time and place so fixed, or any of them, and give public notice of the alteration.

37. Appointment of representatives and counting agents by political parties.—

(1) Every political party may appoint a representative to be present at the time of counting as provided in section 24, and may also appoint not more than fifteen counting agents for the same purpose.

(2) Every such appointment shall be made in Form 13 and shall be signed either by the President or the General Secretary of the political party and shall be made over to the representative or counting agent for production before the poll commissioner not later than one hour before the time fixed for the commencement of counting under rule 36.

38. Admission to the place fixed for counting.—(1) The poll commissioner shall exclude from the place fixed for counting of votes all persons except—

- (a) such persons as he may appoint to assist him in the counting;
- (b) persons authorised by the Chief Election Commissioner;
- (c) public servants on duty in connection with the poll; and
- (d) representatives and counting agents appointed by political parties.

(2) The poll commissioner shall decide which counting agent or agents shall watch the counting at any particular counting table or group of counting tables.

(3) Any person who during the counting of votes misconduct himself or fails to obey the lawful directions of the poll commissioner may be removed from the place where the votes are being counted by the poll commissioner or by any police officer on duty or by any person authorised in this behalf by the poll commissioner.

39. Maintenance of secrecy of voting.—The poll commissioner shall before he commences the counting read the provisions of section 30 of the Act and section 128 of the Representation of People Act, 1951, to such persons as may be present.

40. Counting of votes received by post.—(1) The poll commissioner shall first deal with the postal ballot papers in the manner hereinafter provided.

(2) No cover in Form 7 received by the poll commissioner after the expiry of the time fixed in that behalf shall be opened and no vote contained in any such cover shall be counted.

(3) The other covers shall be opened one after another and as each cover is opened, the poll commissioner shall first scrutinise the declaration in Form 5 contained therein.

(4) If the said declaration is not found, or has not been duly signed and attested or is otherwise substantially defective, or if the serial number of the ballot paper as entered in it differs from the serial number endorsed on the cover in Form 6, that cover shall not be opened, and after making an appropriate endorsement thereon, the poll commissioner shall reject the ballot paper therein contained.

(5) Each cover so endorsed and the declaration received with it shall be replaced in the cover in Form 7 and all such covers in Form 7 shall be kept in a separate packet which shall be sealed and on which shall be recorded the date of counting and a brief description of its contents.

(6) The poll commissioner shall then place all the declarations in Form 5 which he has found to be in order in a separate packet which shall be sealed before any cover in Form 6 is opened and on which shall be recorded the particulars referred to in sub-rule (5).

(7) The covers in Form 6 not already dealt with under the foregoing provisions of this rule shall then be opened one after another and the poll commissioner shall scrutinise each ballot paper and decide the validity of the vote recorded thereon.

(8) A postal ballot paper shall be rejected—

- (a) if no vote is recorded thereon; or
- (b) if the vote is recorded on or near both the symbols; or
- (c) if it is a spurious ballot paper; or

- (d) if it is so damaged or mutilated that its identity as a genuine ballot paper cannot be established; or
- (e) if it is not returned in the cover sent along with it to the elector by the poll commissioner.

(9) A vote recorded on a postal ballot paper shall be rejected if the mark indicating the vote is placed on the ballot paper in such manner as to make it doubtful whether the vote is for merger or for Union territory.

(10) A vote recorded on a postal ballot paper shall not be rejected merely on the ground that the mark indicating the vote is indistinct or made more than once, if the intention that the vote shall be for merger or for Union territory clearly appears from the way the paper is marked.

(11) The poll commissioner shall count all the valid votes given by postal ballot for merger and for Union territory, record the total thereof in the result sheet in Form 14 and announced the same.

(12) Thereafter, all the valid ballot papers and all the rejected ballot papers shall be separately bundled and kept together in a packet which shall be sealed with the seals of the poll commissioner and of such of the counting agents as may desire to affix their seals thereon and on the packet so sealed shall be recorded the date of counting and a brief description of its contents.

41. Scrutiny and opening of ballot boxes.—(1) The poll commissioner may have the ballot boxes used at more than one polling station opened and their contents counted simultaneously.

(2) Before any ballot box is opened at a counting table, the counting agents present at the table shall be allowed to inspect the paper seal and to satisfy themselves that it is intact.

(3) The poll commissioner shall satisfy himself that none of the ballot boxes has in fact been tampered with.

(4) If the poll commissioner is satisfied that any ballot box has in fact been tampered with, he shall not count the ballot papers contained in that box and shall follow the procedure laid down in section 25 in respect of that polling station.

42. Counting of votes.—(1) The ballot papers taken out of each ballot box shall be arranged in convenient bundles and scrutinised.

(2) The poll commissioner shall reject a ballot paper—

- (a) if it bears any mark on writing by which the elector can be identified, or
- (b) if it bears no mark at all or bears a mark made otherwise than with the instrument supplied for the purpose, or
- (c) if votes are recorded on or near both the symbols, or
- (d) if the mark indicating the vote thereon is placed in such manner as to make it doubtful whether the vote is for merger or for Union territory, or
- (e) if it is a spurious ballot paper, or
- (f) if it is so damaged or mutilated that its identity as a genuine ballot paper cannot be established, or
- (g) if it bears a serial number or is of a design different from the serial number or, as the case may be, the design of the ballot paper authorised for use at the particular polling station, or
- (h) if it does not bear the distinguishing mark which it should have borne under sub-rule (1) of rule 25:

Provided that where the poll commissioner is satisfied that any such defect as is mentioned in clause (g) or clause (h) has been caused by any mistake or failure on the part of a presiding officer or polling officer, the ballot paper shall not be rejected merely on the ground of such defect:

Provided further that a ballot paper shall not be rejected merely on the ground that the mark indicating the vote is indistinct or made more than once, if the intention of the voter clearly appears from the way the paper is marked.

(3) Before rejecting any ballot paper under sub-rule (2) the poll commissioner shall allow the representatives of the political parties present at his table a reasonable opportunity to inspect the ballot paper but shall not allow them to handle it or any other ballot paper.

(4) The poll commissioner shall endorse on every ballot paper which he rejects the letter 'R' and the grounds of rejection in abbreviated form either in his own hand or by means of a rubber stamp, and shall initial such endorsement.

(5) All ballot papers rejected under this rule shall be bundled together.

(6) Every ballot paper which is not rejected under this rule shall be counted as one valid vote:

Provided that no cover containing tendered ballot papers shall be opened and no such paper shall be counted.

(7) After the counting of all ballot papers contained in all the ballot boxes used at a polling station has been completed, the poll commissioner shall make the entries in a result sheet in Form 14 and announce the particulars.

43. Sealing of used ballot papers.—The valid ballot papers and the rejected ballot papers shall thereafter be bundled separately and the several bundles made up into a separate packet which shall be sealed with the seal of the poll commissioner and of such representatives of the political parties as may desire to affix their seals thereon and on the packets so sealed shall be recorded the particulars of the polling station where the ballot papers have been used.

44. Counting to be continuous.—The poll commissioner shall, as far as practicable, proceed continuously with the counting and shall, during any intervals when the counting has to be suspended, keep the ballot papers, packets and all other papers relating to the poll sealed with his own seal and the seals of such counting agents as may desire to affix their seals and take sufficient precaution for their safe custody during such intervals.

45.
